St Bernard's Catholic High School seeks an enthusiastic, dedicated and well qualified professional who is passionate about children's reading.

The successful candidate will be a confident individual who can work alongside children to successfully deliver a reading intervention package, play an integral part in every child's reading journey and be accountable for the progress children make with reading. The successful candidate will work closely with the Director of Literacy, the English Department and the SENDCo. Experience in this field would be beneficial, but is not necessarily essential.

We are seeking to appoint a candidate who is highly motivated, optimistic, solution focused and flexible. In addition, the successful candidate should be willing and prepared to develop their skills through ongoing professional learning.

Applications would be welcomed from individuals who possess the essential criteria outlined in the person specification and who will act as role models to support the ethos and mission of our Catholic community.

Candidates are welcome to visit our school before applying.

In return we can offer you:

- A school where "Students describe the school as a loving environment" and "Students behave in a mature and sensible way". "They respect each other and their teachers and enjoy learning".
- A professional, enthusiastic and supportive team of staff with the capacity and commitment to raise student achievement.
- Supportive parents, Governors, Diocese and Trust.
- A well-resourced school with good results.
- A strong commitment to developing staff and creating the leaders of tomorrow.

St Bernard's School is committed to safeguarding and promoting the welfare of its students.
